Oritani Bank will be holding its annual golf outing on September 24, 2015 to benefit one of the leading nonprofit providers in the area of assistance to those in need, the Center for Food Action*.

For the past 39 years, the Center for Food Action, (CFA) has been helping our neighbors in Bergen and Passaic counties by working with them to help them meet their most basic needs of food, shelter and warmth. Their staff also works with these neighbors to help them find viable solutions to the problems that place them at risk for hunger and homelessness.

CFA operates 7 sites that distribute over \$4 million worth of food annually, over 70,000 food packages per year, to those living in poverty and prevents hundreds of households a year from becoming homeless. In addition in 2014, CFA has helped over 1,900 households with homeless prevention services.

On a state-wide level, CFA established and supports the New Jersey Anti-hunger coalition in its mission to end hunger in New Jersey through education, advocacy and activism.

For 17 years, we at Oritani Bank have held this golf outing to benefit CFA. But we cannot do it without help from the businesses in our area and state. Won't you join with us in supporting the Center for Food Action by donating an item to use as a prize or in our auctions the night of the outing?

We are looking for donations of any kind, but more specifically sports tickets, restaurant gift certificates, and gift items or baskets. Each donor will be recognized in our program distributed the night of the outing.

Please contact me with any questions or to arrange for pick up of your donation. We have enclosed a contribution form for your convenience.

Sincerely,

*The Center for Food Action is a non-sectarian 501C3 nonprofit organization.
